

The Grove Primary School

Accessibility Statement

The Grove Primary School is committed to providing full accessibility throughout all its grounds and facilities for disabled children and adults.

At school we provide: -

- a disabled parking space directly outside the school's entrance
- easy access to the school's main entrances and school office
- wide corridors and door frames, and no steps to climb within the school
- access to a disabled toilet for staff
- access to a disabled toilet for children
- a wheelchair lift next to steps
- footpaths around the perimeter of the school
- ramps to mobile classrooms and the cabin
- the facility for audio systems in every class
- teaching areas with blinds and teaching screens that can be adjusted to cater for visual impairment

The Grove Primary School has an Accessibility Plan that aims to ensure we continually consider improvements for disabled pupils, staff and visitors to the school and anticipate the need to make reasonable adjustments to accommodate their needs where practicable. This can be found on our website policy page. Please click here:
