

Where the Wild Things Are

This term, we will be...

PE

- In PE we will be doing indoor gymnastics where as outside we will be looking at skills of dodging.

Maths

- This term the children will be looking at place value of numbers to 100 and also covering the start of addition and subtraction.

English

- In English our reading and writing focus will be all about the book 'Where the Wild Things Are'
- We will write our own sequel for Max's next adventure.

PSHE

- In PSHE we will be understanding relationships.
- We will look at understanding that friendships are special and identify some ways that good friends look after each other.

Art and DT

- To draw a portrait of ourselves as a wild thing.
- We will be looking at artwork of Freida Kahlo to follow for our portrait.

Geography

- We will be learning about the points on a compass.
- We will follow a route on a map.
- We will conduct a litter field study in the school grounds

Music

- We will begin to learn to play the recorder.
- We will explore the classical piece 'Peter an the Wolf'.

Religion & World Views

- Big Question: What do people believe is important?
- Key Unit Question: Why do Jewish families talk about repentance at New Year?

Science

- In science we will be identifying living things in their habitats.
- We will explore and compare the differences between things that are living, dead and things that have never been alive.

Computing

- In computing we will look at computing systems and networks and all of the IT around us.
- It will develop their understanding of what information technology (IT) is. They will identify devices that are computers and consider how IT can help them both at school and beyond.
